Good Afternoon Ms Kahunga

The parties, including respondents and interested parties, have been served, both through their legislative assemblies and by newspaper advertisement. The arbitrators to the cases have been appointed, and should be holding preliminary meetings any time from now, in their conduct of the arbitrations.

With respect to a similar matter having been litigated in Nakuru Constitutional Petition No. 4 of 2022, Dr Peter Mbae v Speaker of the County Assembly of Nakuru & Others, it is expected that the arbitrators and parties will take note of the case, and particularly that the cause of action in the constitutional petition concerned section 14 of the Political Parties Act, while the present arbitrations concern Articles 103(1)(e) and 194(1)(e) of the Constitution without reference to section 14 of the Political Parties Act.

Updates on the cases will be posted, as they occur, at <https://www.aluochier.co.ke/cases.html> - allowing any person to follow the progress of the cases. Filed documents can also be downloaded from the same site. For any matter that directly touches on the County Assembly of Nakuru we will communicate the same to you.

I hope I have addressed the general nature of your enquiry. Should you have more specific issues to be dealt with, please do not hesitate to communicate the same.

Regards

Isaac Aluochier
